## Memorandum of Pandemic Understanding- Earth School Workshops 2021

We are excited to be able to provide the wonderful Earth School Workshop experience that all our Earth School kids. We continue to work diligently to keep measures in place that will allow us to run safely and professionally for the Fall 2021 season.

Because of the close contact within a camp community, and to mitigate the risks, we are implementing the following procedures:

- We will continue to work closely with, and follow the most current guidelines established by Bucks County, the PA government, CDC, and federal officials for best practices with regards to preventing, identifying, and managing COVID/Delta variant.
- We will use all available means at our disposal to establish an approved testing routine in compliance with CDC guidelines.
- We will ramp up our hygiene protocols for cleaning and disinfecting on a workshop-wide scale.
- Should the need arise, we will have on-site quarantine facilities readily available, along with adequate supervision and medical care until you can pick up your child.
- We will alter workshop operations to curtail physical interaction between our participants and facilitators.
- We will alter workshops to maintain the level of enjoyment our attendees expect, while observing social distancing.
- We will continue to modify our workshops as may be required by CDC and local guidelines

As we know, COVID-19/Delta Variant will be with us for the foreseeable future. No matter what procedures and protocols are put in place, there is simply no way to guarantee that COVID-19/Delta Variant, or any other pathogen or communicable disease will not enter Earth School. By the very nature of the personal interactions that take place in workshop environment, there is always a risk of your child contracting this or any other disease or infection. And again, we will do everything within our power to keep your child healthy and safe at Earth School this year.

I hereby acknowledge that I have read and understand the points as described herein.
